

# CLASE

## RESOURCES FOR SPANISH- SPEAKING FAMILIES

FOR LOVED ONES WITH  
DEVELOPMENTAL  
DISABILITIES

MADE POSSIBLE WITH FUNDING FROM:

**DDS** Department of  
Developmental  
Services

## Introduction

This Resource Guide was created with love, dedication, and hope by the CLASE Collaboration Leaders—many of whom are parents walking the same journey as you. For the past seven years, the Autism Society Inland Empire has received support from the Department of Developmental Services (DDS) to continue Colaboración, Liderazgo, Abogacía, Servicio y Educación (CLASE)—a Community of Practice for leaders of nonprofit organizations, support groups and independent leaders that serve Hispanic/Latino Spanish-speaking individuals and families with intellectual and developmental disabilities (I/DD) in Riverside and San Bernardino Counties.

CLASE is a network of leaders united by a shared mission: to build bridges of communication and address service disparities. Our purpose is to provide information, education, training, and empowerment to community group leaders who primarily serve Hispanic families with loved ones with disabilities in the Inland Empire.

Over the past year, these leaders have poured their hearts into gathering information, sharing lived experiences, and shaping a guide that reflects the real needs of Spanish-speaking families with loved ones who have developmental disabilities. We know that navigating services and support can feel overwhelming, especially when language and cultural barriers make it harder to find answers. This guide is here to remind you that you are not alone. Behind every page are the voices of parents, advocates, and community members who believe in the power of connection and the strength of family.

Our goal is simple: to empower you with clear, culturally relevant resources so you can make informed decisions and feel supported every step of the way. Whether you are just beginning this journey or have been walking it for years, we hope this guide becomes a trusted companion—one that brings comfort, clarity, and confidence.

From our hearts to yours, welcome. Together, we can build a community where every family feels seen, heard, and valued.

Thank you to the CLASE group leaders:
